## International BCA Sponsorships (801-BLC):

The BCA (Barner Christian Academy) International Student Sponsorship Program is an opportunity for Filipino children who otherwise might not be able to afford a Quality Christian Education to obtain schooling at no cost to their families through the "adoption" of their financial schooling obligations by international supporters. For support of those from ages 4 through 18, the fee is \$25 (P1050) per month.

*Each Sponsorship covers the following: tuition, enrollment, books, registration, dental checkup, insurance, medical checkup, ID card, instructional materials, PTA & library & campus fees, school publications, graduation fee & gown, field trip transportation costs, boy/girl scout membership & uniforms, gym fee, and basic school supplies (notebooks, pencils, etc.).*

*Please send support to Christian Aid Mission (address on first page).*

*Please pray: for my (Paul's) new position in Faith International Academy as Chairman of the Board.*

*Praise God: That Elvie was able to find qualified, Philippine DepEd (Department of Education)-licensed and certified Christian teachers to lead the new classes which are being added at Barner Christian Academy this year. Also we are renovating one of our former classrooms into a music band room, with a new Piano/Band/ ChoirDdirectress.*

**FAQ: (Frequently Asked Question):**

**Q: How big is the Philippines?**

**A: The 7,107 island archipelago is about the size of the East Coast of the USA, without Florida, and including all the water between islands. The population is around 100 million.**

**You Know You Are A Filipino If...**

...when. you pose a rhetorical question, you do not make eye contact.

**A Sinner's Prayer:**

*"Dear Jesus, I am sorry I am a sinner. I know you died on the cross to pay for my sins. Please wash my sins away by your blood and make me clean. As your child I promise to try to live for you my whole life. In Jesus' name. Amen."*

# Barner Christian Academy's Summer School April-May, 2014

2014 Brought Barner Christian Academy's 500 students to five weeks of Summer School. While most of our students attended classes on-campus during the summer months of April & May, some who were a distance from the school attended tutorials led by local churches.

Our seven BCA school buses traveled to remote areas to bring in poor children by the hundreds. These leisure Summer months were filled with productive training to enhance the kids' learning ability.

The teachers' hours of studying & preparation were well worth it!

Along with subjects of Bible, Reading, Writing, Social Studies and Arithmetic, many students learned singing, choir, choreography, guitar, drums, tambourine and drama. Performances were astonishing!
