NEEDED: \$20 x 620 = \$12,400. Received: \$505.

FAQ (Frequently Asked Questions): Q- When are the Barners returning to Davao? A- Elvie plans to be there 5/15-6/22, and after my cancer treatments are done, we both plan to return to Davao in April 2027.

Praise God: that Lifepoint Church in Arizona is flying a 2-wk missions work team to Davao, when Elvie will also arrive for 5 wks in May. The eleven-member Arizona team will assist Vacation Bible Schools in some of our 31 churches, & the school & orphanage.

Please pray: for 6 of BCA's 15 older orphans who are "graduating," from that ministry, either to Filipino families or to be on their own with occupations, after graduating high school. BCA cannot afford to send them to college. We are replacing these older orphans with new homeless children. Some of our graduates will join our vibrant church young adults, attending church & activities.

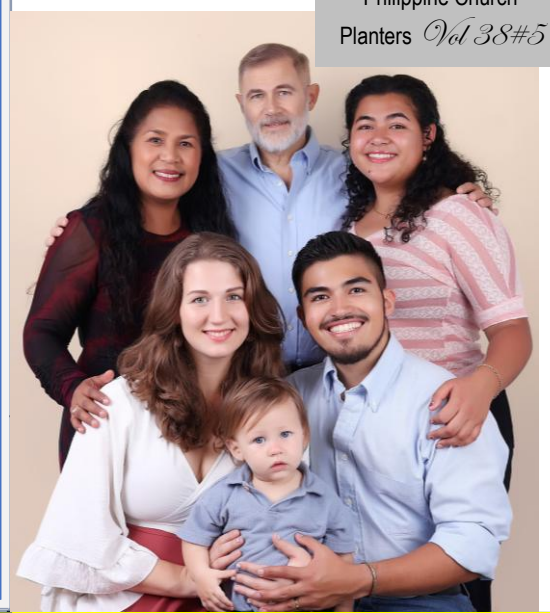

You know you are a Filipino if... You use a rock to scrub yourself in the shower.

A Sinner' Prayer: Dear Jesus, I am sorry I am a sinner. I know you died on the cross to pay for my sins. Please wash my sins away by your blood & make me clean. As your child I promise to try to live for you my whole life. In Jesus' name, Amen.

BCA'S Sponsored Kids:

From the Dump to School!

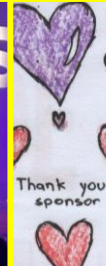

BCA staff knocks on doors to offer free schooling to poor families. Often the "doors" are just curtains in a one-room squatter hut. As they come onto the campus, Principal Elvie interviews each student & checks their records: birth certificate, etc. Classrooms are chosen by entrance exams. The campus can be seen from the air, as "BCA" is painted on the roof. Many squatters find Jesus at BCA. Keep praying!

FINDING, EDUCATING & EVANGELIZING THE POOR

OTHER NEWS: BCA staff pray for each other. Abby performs in a musical in Chicago: "It is Well With My soul" Azzi helps his dad PJ on the ladder. NOFY helps cancer patients, & we attend a Cece Winans concert & dinner. Paul preaches & Elvie paints.

BCA'S CLASSROOMS: After BCA students do their joint morning exercises in the school gymnasium, they perform tasks in their classrooms, including monthly exams, in all levels, including preschool. Individual classes are all unique in their group projects, as competitions often spur on creativity.
